

Stay Calm

חול המועד Pesach can be lots of fun on family trips.
What do you do if you get lost or separated from your family?

Remember to look for a [Safe Helper](#).

- A mom with children is the number 1 choice.
- A security guard or policeman is a Safe Helper.
- A cashier with a name tag is a Safe Helper.

NEVER go anywhere with the Safe Helper,
Stay where you are and ask them to find your family for you.

Good tip: Pick a “Meeting Spot” when you reach your destination in case someone gets lost.

Pesach more than just the four כוסות of wine and מצה....

“.....והגדת לבנך --- Teach your Child”

- Open communication with your children is key
- Teach your child safety tips in small, repeated, positive doses.
- Avoid using the word stranger! The term stranger is ineffective.
- Tell your child that you will love them unconditionally, no matter what.

You may not like their actions or words, but you still love your child.

Make sure your child knows that:

- They can tell you anything.
- You will be there to listen and help them.
